Fancier—We call him a Russell Harrison, mum, 'cause his head is so big.

A Lovely Woman
Overheard one say of her, "By heaven! she's painted!" "Yes," retorted she indignantly, and by heaven only!" Rudely health mantled her cheek, enthroned on the nose and lip. Yet this beautiful lady, once thin and pale, with a dry, hacking cough, night-sweats, and slight spitting of blood, seemed destined to fill a consumptive's grave. After spending hundreds of dollars on physicians without benefit, she tried Dr. Pierce's Golden Medical Discovery; her improvement was soon marked, and in a few months she was plump and rosy again, the picture of health and strength. It is the only medicine of its class, sold by druggists, under a positive guarantee that it will benefit or cure in all cases of disease for which it is recommended, or money paid will be promptly refunded.
